

High Performance Program 2022-24 Summary of Amendments

As a result of the ongoing and changing world of covid-19, CEC has made amendments to the High Performance Program (HPP). These amendments have been made in consultation with the High Performance Committee, the Athlete Commission and Sport System Advisors (OTP).

The following is a summary of the amendments contained in the 3 documents below:

1. CEC 2022 High Performance Program (HPP)
2. Continuous National Ranking (CNR)
3. CEC 2021-2024 Olympic Cycle Event Teams Selection Criteria

Summary of Amendments

1. CEC 2022 HPP

Benefits and Support

- Change to clarify priority selection for Olympic and National Squads

Selection to HPP

- A.1 and A.2 Amendments to HPP Entry Points for 2022 only.

HPP Squads

- Minor changes to wording in introduction to clarify timelines
- Increased detail in Selection Criteria for Olympic Squad.

HPP Events

- A.1 Amendments and Clarification to HP Competition Invitations.

2. CONTINUOUS NATIONAL RANKING (CNR)

Overview

- Addition of Definitions

Section 2 – Calculation of the Continuous National Ranking

- Amendments to Expiration of Points and Event Limits.
- Amendments and Clarification to Size of Field, Points Cut-Offs and Strength of Field Calculations.
- Amendments to Combined CNR Calculations.

Section 3 – Position Points Tables and Example CNR Calculations

- All points tables and example calculations moved to New Section at End of document for increased readability in upper sections.

3. CEC 2021-2024 OLYMPIC CYCLE EVENT TEAM SELECTIONS

Section 3 – Principles and Process

- Amendments and increased detail to 2022 Senior WC Event Team Selections.
- Addition of article to detail Maintenance of Priority Selection status for Olympic and National Squads.
- Clarification to Youth Team Event Teams selection process.
